- 5.11 Delivery of the Software identified in the respective Certificate of Licences and Services will occur by means of electronic download by the Licensee from a website specified by the Licensor. The Licensee shall be solely responsible for the installation of the Software on its Clients. The Licensee shall be solely responsible for procuring and proper operation of the Supported Platform. No source code will be provided by the Licensor to the Licensee.

Except for IP address and the license number, the process does not transmit any personally identifiable information. The process never affects the Licensee’s right and possibility to use the Software even in case of technical failure of the license metering process.

6. DISTRIBUTION OF RUNTIME COMPONENTS

- 6.1 The Licensee shall always have the right to distribute the runtime components (files PostSharp.dll and PostSharp.Laos.dll), but solely for purposes of running the software created by the Licensee using the Software.

7. GRANT OF LIMITED REDISTRIBUTION LICENCE

- 7.1 Any of the licences specified in sections 5.2 to 5.7 shall also include a limited, non-exclusive, non-transferable right to redistribute the Software as part of the software product developed by the Licensee

(the “**Licensee’s Product**”) to the customers of the Licensee, all subject to the terms, conditions and limitations specified hereunder (the ‘**Limited Redistribution Licence**’). The Limited Redistribution Licence is granted free of charge.

- 7.2 To avoid any misunderstanding, the rights granted to the Licensee under the Limited Redistribution Licence are limited only to the extent specified hereunder and does not include other rights that the Licensee may acquire under the separate Redistribution Licence Agreement, which the Licensee may conclude with the Licensor.
- 7.3 The Limited Redistribution Licence shall be subject to the following terms, conditions and limitations:
- (a) the scope of the Limited Redistribution Licence includes solely the right of the Licensee (i) to implement the Software into a Licensee’s Product and (ii) to allow the end customer to copy the Software as part of the Licensee’s Product;
 - (b) the Software may not be sold by the Licensee to its customers separately and independently from the Licensee’s Product;
 - (c) the Software may not be sold by the Licensee to its customers within the Licensee’s Product if the Licensee’s Product is of a competitive nature towards any product of the Licensor at the time this Agreement is concluded, or if the Software may be substituted by the Licensee’s Product; in case of doubt about the competitive nature of the Licensee’s Product, the Licensor’s opinion shall prevail.
 - (d) unless otherwise agreed between the Licensor and the Licensee, the Licensee may not supply to its customers any means by which its customers could incorporate the Software into their own product;
 - (e) no other rights than those explicitly stated in this Section 7 are granted to the Licensee under this Limited Redistribution Licence; and
 - (f) the Software shall be redistributed in whole, not in part; if the Software is unpackaged into several files, all files present in the original package must be redistributed without modification and in their original relative location, i.e. all files must be present if the unpacked Software is to be redistributed.
 - (g) the Licensee may redistribute the Software pursuant to the Limited Redistribution Licence granted hereunder only together with the cryptographic licence key delivered to the Licensee on Licensee’s request by the Licensor and associated with the Licensee’s Product. The Licensor shall be entitled to withhold such request by the Licensee or to revoke the delivered cryptographic licence key, i.e. to disable the use of the Software within the Licensee’s Product, at its own discretion for any reason whatsoever or without any reason at any time during the term of the License. The Licensee acknowledges this right of the Licensor and, simultaneously, acknowledges the option to conclude the standard Redistribution Licence Agreement with the Licensor in order to acquire more rights regarding the redistribution of the Software.
 - (h) The Licensor shall be entitled to terminate the Limited Redistribution Licence at any time at its sole discretion.
 - (i) The Licensee shall not be entitled to grant the licence to use the Software within the Licensee’s Product to its customers. The licence to use the Software by the end customer of the Licensee is granted solely by the Licensor as the Anonymous Licence.
 - (k) the Licensee may not disable, during the installation or the execution of the Licensee’s Product, the following features: periodic check of update availability, customer experience improvement program or embedded marketing features.

8. LICENCE FEES AND PAYMENTS

- 8.1 The Licensee shall pay to the Licenser, as a consideration for the licence granted hereunder, the licence fees in accordance with the then current Price List of the Licenser applicable to the respective type of the purchased licence, unless otherwise agreed mutually between the parties. The Licensee is entitled to use the Software only following the payment of the respective licence fees (the Licensee will receive from the Licenser or from the authorised reseller the specific Licence Key, enabling the Licensee to use the Software, upon payment of the applicable licence fee), unless otherwise agreed with the Licenser. The then current Price List is located on the Licenser's website at <http://www.sharpcrafters.com/> or will be provided to the Licensee otherwise, as the case may be.
- 8.2 The Price List shall constitute an integral part of any and all of this Agreement. The Licenser reserves the right to change, modify and amend the Price List at any time at its sole discretion, which amendments shall become effective as of the date set forth in the Price List in respect of each such amendment.
- 8.3 For each payment due to the Licenser under this Agreement, an invoice signed by the authorised representative of the Licenser or by an authorised reseller of the Licenser shall be issued in accordance with the applicable tax regulations. The invoice shall be payable within thirty (30) days after the day of its issuance and the fees shall be paid to the account of the Licenser or of an authorised reseller of the Licenser, as specified in the respective invoice, unless agreed otherwise.
- 8.4 Should the Licensee fail to pay the fee within the above-stated period, the Licensee shall be obliged to pay to the Licenser the delay interest at the rate applicable by law and/or the Licenser may terminate this Agreement with immediate effect by written notice delivered to the Licensee. The Licensee will reimburse the Licenser for any reasonable legal fees and other costs and expenses incurred by the Licenser in collecting past due amounts.
- 8.5 The prices on the Price List are without any VAT or similar taxes. Any such taxes will be added to the price.
- 8.6 All payments to be made by the Licensee to the Licenser under this Agreement shall be made free and clear of and without deduction for or on account of tax unless the Licensee is required by law to make such payment subject to the deduction or withholding of tax, in which case the sum payable by the Licensee in respect of which such deduction or withholding is required to be made shall be increased to the extent necessary to ensure that, after making the required deduction or withholding, the Licenser (or the authorised reseller, as the case may be) receives and retains (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

9. UPGRADES

- 9.1 Upgrades to new versions of the Software are optional and may be provided by the Licenser at an additional charge pursuant to the upgrade terms set forth by the Licenser on its website at <http://www.sharpcrafters.com/> or in a separate agreement between the Licensee and the Licenser (if applicable).

10. INFRINGEMENT OF RIGHTS OF THIRD PARTIES

- 10.1 In the event that the Software is held or believed by the Licenser to infringe third party intellectual property rights, or the Licensee's use of the Software is enjoined, the Licenser will have the option, at its expense, to (i) modify the Software to cause it to become non-infringing; (ii) obtain for the Licensee a licence to continue using the Software; (iii) substitute the Software with other Software reasonably suitable to the

Licensee, or (iv) if none of the foregoing remedies are commercially feasible, terminate the licence for the infringing Software and refund any licence fees paid for the Software, prorated over a three-year term from the effective date of the Agreement.

- 10.2 The Licensor will have no liability for any claim of infringement based on (i) code contained within the Software which was not created by the Licensor; (ii) use of a superseded or altered release of the Software, except for such alteration(s) or modification(s) which have been made by the Licensor or under the Licensor's direction, if such infringement would have been avoided by the use of a current, unaltered release of the Software that the Licensor provides to the Licensee, or (iii) the combination, operation, or use of any Software furnished under this Agreement with programs or data not furnished by the Licensor if such infringement would have been avoided by the use of the Software without such programs or data.
- 10.3 This Section states the Licensor's entire liability for copyright and patent infringement.

11. NO WARRANTY

- 11.1 The Software is provided to the Licensee 'as is' and without warranties. The Licensor makes no warranty as to its use or performance. To the maximum extent permitted by applicable law, the Licensor, and its suppliers and resellers, disclaim all other warranties and conditions, either express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement, with regard to the Software, and the provision of or failure to provide support services.
- 11.2 The Software is not intended for use in the operation of nuclear facilities, aircraft navigation, communication systems, air traffic control machines or other activities in which the failure of the Software to attain a desired result could lead to death, personal injury, or severe physical or environmental damage.
- 11.3 The Licensor shall not be liable in any manner whatsoever for the results obtained through the use of the Software. Persons using the Software are responsible for the supervision, management and control of the Software. This responsibility includes, but is not limited to, the determination of appropriate uses for the Software and the selection of the Software and other programs to achieve intended results. Persons using the Software are also responsible for establishing the adequacy of independent procedures for testing the reliability and accuracy of any program output, including all items designed by using the Software.

12. LIMITATION OF LIABILITY

- 12.1 The Licensor's entire liability for all claims or damages arising out of or related to this Agreement, shall be limited to and shall not exceed, in the aggregate for all claims, actions and causes of action of every kind and nature; the amount paid to the Licensor under this Agreement for the specific item that caused the damage or that is the subject matter of, or is directly related to, the cause of action. The parties hereby expressly agree that the amount referenced in the immediately preceding sentence represents the amount of foreseeable damages within the meaning of Section 379 of the Czech Act No. 513/1991 Coll., Commercial Code, as amended. The aforesaid limitation is not applicable to claims for the copyright infringement which claims are covered by Section 10. In no event will the measure of damages payable by the Licensor include, nor will Licensor be liable for, any amounts for loss of income, loss of data, loss of profit or savings or indirect, incidental, consequential, exemplary, punitive or special damages of any party, including third parties, even if the Licensor has been advised of the possibility of such damages in advance, and all such damages are expressly disclaimed.

13. TERMINATION

- 13.1 If either party materially defaults in the performance of any of its duties or obligations under this Agreement or under an applicable Support Service Agreement relating to the Software and fails to proceed within fifteen (15) days after written notice thereof to commence curing the default and thereafter to proceed with reasonable diligence to substantially cure the default, the other party may, by giving written notice thereof, terminate this Agreement effective immediately. However, this provision does not apply to a default in payments to the Licensor by the Licensee (no cure period is provided for such a breach and the Licensor may terminate this Agreement effective immediately).
- 13.2 Except as may be prohibited by Czech bankruptcy laws, in the event of either party's insolvency or inability to pay debts as they become due, voluntary or involuntary bankruptcy proceedings by or against a party hereto, or appointment of a receiver or assignee for the benefit of creditors, the other party may terminate this Agreement by written notice.
- 13.3 All licence rights granted will cease upon any termination of this Agreement. Within fifteen (15) days after termination of the licence rights granted herein or this Agreement for any reason, the Licensee will destroy the original and all copies of the Software in all forms, and will certify to the Licensor in writing that such obligation has been fulfilled.
- 13.4 Immediately upon occurrence of: (i) declaration of Licensor's bankruptcy by the court, or (ii) the filing by the Licensor of a voluntary petition in bankruptcy, or (iii) the filing against the Licensor of an involuntary petition in bankruptcy that is not dismissed by the court within 60 days of such a filing, any of the licences specified in Sections 5.2 to 5.5 of this Agreement shall automatically *ipso jure* change into the Global License.

14. MARKETING

- 14.1 Unless agreed otherwise, the Licensee agrees to be identified as a customer of the Licensor and that the Licensor may refer to the Licensee by name, trade name and trademark, if applicable, and may briefly describe the Licensee's business in the Licensor's marketing materials, on the Licensor's website, in public or legal documents. The Licensee hereby grants to the Licensor a licence to use the Licensee's name and any of the Licensee's trade names and trademarks solely pursuant to this Marketing Section.

15. NOTICES

- 15.1 All notices required by or relating to this Agreement will be in writing and will be sent by mail to the Licensor at the address set forth on the first page of this Agreement; to the Licensee by mail or in electronic form to the address set forth in the relevant Certificate of Licences and Services; or to such other address as either party may specify by written notice to the other.

16. GENERAL

- 16.1 The Licensor reserves the right at any time to cease the support of the Software and to alter prices, features, specifications, capabilities, functions, licensing terms, release dates, general availability or other characteristics of the Software.
- 16.2 The Licensee shall notify Licensor in writing, without undue delay, of any changes in the data contained in this Agreement or any other arrangement between the Licensor and the Licensee, or any changes affecting the Licensee's identity or legal status, or any significant facts and changes that relate to or might have a substantial impact upon its transactions or business relationship with the Licensor or the Licensee's ability to

fulfil its obligations towards the Licensor or of which the Licensor could reasonably be expected to want to be informed, and shall submit documents evidencing such changes and other information as the Licensor may reasonably request. Any change shall become effective against and binding on the Licensor on the business day following receipt of such notification, notwithstanding any information contained in any public register. The Licensee is responsible for any loss or damage incurred by the Licensor or the Licensee arising out of the failure of the Licensee to duly and promptly notify the Licensor of such changes.

- 16.3 Except for the Corporate Licence, Site Licence and Global Licence pursuant to this Agreement, the Licensee will at all times maintain records specifically identifying the Software licensed under this Agreement, the location of each copy thereof, and the location and identity of the workstations and servers (Clients) on which the Software is installed. The Licensor may, during regular business hours and upon reasonable advance notice, conduct an audit to determine the Licensee's compliance with the terms and conditions of this Agreement. The Licensee will permit the Licensor or its authorised agents to access the Licensee's facilities, workstations and servers, and otherwise cooperate fully with the Licensor in any such investigation and will take all commercially reasonable actions to assist the Licensor in accurately determining the Licensee's compliance with the terms and conditions of this Agreement. The Licensor reserves the right to implement tools in the Software which will enable the Licensor to monitor compliance of the Licensee with this Agreement.
- 16.4 Neither party will be liable for any delay in or failure to perform any of its non-monetary obligations under this Agreement if due to any cause or condition beyond their reasonable control, whether foreseeable or not.
- 16.5 This Agreement, the relevant Certificate of Licences and Services, the then current Price List and the then current Specifications of the Software, and possibly also other arrangements related to the Software agreed between the parties in writing, as the case may be, constitute the entire agreement between the parties concerning the Software.
- 16.6 Nothing in this Agreement shall create a partnership or a corporation between the parties, nor deem either party the agent of the other party for any purpose.
- 16.7 This Agreement is governed by and shall be construed in accordance with the laws of the Czech Republic without regard to the conflict of law principles thereof. Any dispute, controversy or claim arising out of or in connection with this Agreement shall be settled by the courts of the Czech Republic. In accordance with Section 89a of Act No. 99/1963 Coll., the Czech Civil Procedure Code, the parties hereby agree that the competent court shall be the general court of the Licensor.
